And within them all you were the closest one this time.

But we, the Ikeguchi, are one of the hundreds of lineages in which the dragon has decided to live.

The Golden Dragon gets into the human body when the human is about to die. Then it uses energy to revive the human, but never has fully lost a human.

I felt as happy to have a connection to Yui thanks to the dragon.

"I want you
to complete
my mission."

Did you
had a big
shock
yesterday,
Hissan?

My eye
became like
yours
because your
Dragon has
grown so
much that I
needed to
help you.

It's
because

And why do
you have
the same
eye as me?

Yes...
why do
you know
so much
about
the Golden
Dragon?

The
Dragon
took your
weakness

I
remember
and my eye
changed
when the
repaired

My
name
Hissan

When it reaches its ideal size again, it's leaving our bodies

The Golden Dragon also lives in me

That's why my eye also changed

The Dragon's body grows using the vitality and intellect of us two

I never heard about that!

Ah!

This scar

.....

Don't you find it disgusting that a strange species lives in your body and uses them as it pleases?

Wahh!
That's not fair

You didn't realize that you also have the monster hidden inside!

Of course not

Ouch!

I told you that it hurt!
Let go Topail!

But, but that's not my fault!

When I saw you full of blood, it scared me a lot and I panicked!

The vision of your right eye decreased a lot.

And you have a scar that will stay for your whole life.

Huh?

You recently said I would not be able to do those things.

Tell me, do you really think you know me?

You know, Nizem. The day you had that accident, I.

Da...
mn...

In this moment
you looked so
beautiful
every time I
remember it, I cry

Every
time...

BANG

Wake
up.
Taped

I'm a
guy
like
you

blood!

So you

I saw
you

you
